Term 3 July 2026

WHAT'S BEEN HAPPENING Winter Wonderland Holiday Program

Winter Holiday Program Wrap-Up ❄️

What an incredible two weeks we've had at OSHC! Our Winter Wonderland Holiday Program was packed with fun, laughter, new experiences, and plenty of opportunities for children to connect, explore, and create lasting memories.

Our holiday adventures took us on some fantastic excursions, including:

- 🎬 A trip to the cinemas to enjoy a movie on the big screen.
- 🏓 Indoor Pickleball, where everyone had fun learning new skills and enjoying some friendly competition.
- 🛝 Flip Out Trampoline Park, where children bounced, climbed, and burned off plenty of energy while building confidence and teamwork.

Back at OSHC, we welcomed some exciting incursions that kept everyone engaged and entertained:

- 🫧 Dr Hubble's Bubbles amazed us with giant bubbles, fascinating science, and plenty of interactive fun.
- ❄️ Arctic Adventure Games challenged children with exciting team activities inspired by icy adventures.
- 🎤 Learn to Beatbox gave everyone the chance to discover the basics of beatboxing, with lots of laughter as children created their own unique sounds and rhythms.

Alongside these special events, children enjoyed a wide range of craft activities, games, outdoor play, cooking experiences, and time spent with friends. It has been wonderful to see everyone trying new things, showing kindness to one another, and embracing every opportunity our Winter Wonderland program had to offer.

A huge thank you goes to our amazing educators for creating such a fun, safe, and engaging holiday program, and to our wonderful families for your continued support. We hope the children have returned home with lots of happy memories and exciting stories to share.

Welcome to Term 3

Welcome back to Term 3! We hope all our families enjoyed a wonderful break and are feeling refreshed for another exciting term at OSHC. Our children and educators have been busy planning, sharing ideas, and voting for this term's clubs, and we're thrilled to announce our favourites: **D&D Club**, **School Garden**

Helpers Club, and **The Great Jaffle Making Club**! We can't wait to see the children build new skills, friendships, and plenty of fun memories through these exciting experiences. We've also been celebrating **NAIDOC Week** by exploring the rich histories, cultures, and achievements of Aboriginal and Torres Strait

Islander peoples. Children have enjoyed walking around our school to photograph significant places, discovering and reflecting on artworks around our community, and creating their own beautiful pieces inspired by their learning. Together, we've captured our discoveries and reflections in a special **Floor Book**, which families are warmly invited to explore when you visit OSHC.
