## Welcome to your week 8 Student Newsletter

Hi and welcome back, we hope you have a good few weeks so far and today we will be keeping you updated on Harmony day, World math day and Athletics day. Last Friday the 3 to 6s went over to Seaford athletics track for athletics day.

This year we did something different where the house captains picked 4 people for a girl and boy team to run the 100 metre sprint. pun pun won for the boys and wongim won for the girls.

This week was Harmony week all the year 6 leaders went to read a book to the prep to 6 classes.

World maths  
Day  
March 26th

It was super good to see all the kids wear orange.

Also, some year 6 boys set up games that some of the younger kids could play at recess and lunch.

Coming up on wednesday the 26th of March it is World math day where kids can dress up with something related to maths. There will also be fun multi age games to play!

Celebrating 124 Years 1901-2025

**In 3/4** we had athletics day last friday. At athletics day the jumps we did were triple jump, high jump and long jump. it was epic!

We also did different sports like shot put, discus and running races. Teams were elected to run relay races also.

**In Inquiry**, we have been learning about democracy and the different levels of government. We have also looked at the voting system in Australia. We have learnt that everyone must be above eighteen to vote. We also did an incision about democracy and there also were people chosen for a democracy roleplay. A mayor is chosen for a roleplay and that's how we get a maya.

**This week and last week the year threes had NAPLAN** which means most of our tables were moved around. This means that things have been a bit chaotic. The grade 4's made their own board game in math! It was a lot of fun.

# CELEBRATE WORLD MATHS DAY!

On Wednesday the 26th of March our school will be celebrating World Maths Day. Throughout the day, students will have the opportunity to participate in fun, interactive, multi-age maths activities across the school.

For some added fun, it will also be a Maths-themed dress up day. Students can get creative and dress up as anything that represents maths, such as a famous mathematician, shapes, symbols or numbers. There will be prizes for the best-dressed students, so make sure to put your thinking cap on and show off your math-inspired outfits!

Happy World Maths Day!

## ***Piano Dynamics – Patterson Lakes***

**Don't miss this opportunity! Start your children's musical education today.**

What better way than to improve self-esteem and showcase your child's development than through music. For younger children, playing the piano helps develop listening skills as well as coordination.

Piano also improves cognitive and intellectual abilities such as memory, reading and maths skills.

**I am offering an introductory half price lesson to all new students who wish to develop their musical skills.**

Certified exams also offered. I am a fully qualified teacher who has extensive experience in teaching all ages and levels.

### ***Where Learning Never ends***

**Carolyn Susan Rossis: Call 0409 131 961**

**Students of all ages are tutored in private one-to-one lessons.** Children are taught in a positive and nurturing environment. The tuition sessions are designed according to the student's individual needs, which are regularly evaluated and form part of ongoing assessment. I tailor to the needs of each student, which is delivered in a positive learning environment designed to foster self-esteem and motivate students to achieve their full potential.

**Students with special needs are also catered for.**

**The core work covers the following:**

**READING:** To develop Comprehension, Accuracy, Fluency and Expanded Vocabulary

**WRITING:** Examines the different genres and includes writing organisations for each genre, essay writing, spelling, punctuation, grammar and editing skills

**MATHEMATICS:** Covers Numeracy & Algebra, Measurement & Geometry and Statistics & Probability

**EXAM PREPARATIONS:** These helps identify the student's progress and help develop skills for NAPLAN, ICAS, scholarship and entrance exams

**Diploma of Education and Graduate Diploma of Music Email:**

## Become a Berry Street foster carer

Partner with us and support a local child on their journey.

Childhood is a journey, but not every child starts in the same place.

In our local community there are many children and young people who need a safe place to live.

As a Berry Street foster carer, you'll be a part of a team that is committed to supporting children who are unable to live with their family.

And by providing them with a safe and nurturing home – you'll be there for them at a crucial moment in their life.
