2025

Celebrating 124 Years 1901-2025

It is amazing how quickly Term 1 has flown by. It is always great when I am able to get into the classrooms to see all the fantastic work the children are doing. I have also been lucky to have some time teaching in different classrooms and the students clearly know their routines. **With Term 1 coming to an end next week it is important to remember that school finishes at 2:30pm on the last day of each term except for Term 4 which ends at 1:30pm.** We will be holding an end of Term assembly on Friday 4th April at 2:10pm to celebrate the end of another great term. Students will be dismissed from their classrooms at 2:30pm.

World Maths Day was lots of fun at Carrum Primary School! On Wednesday the students all worked in multi-age groups to complete Maths activities based on stories shared by the teachers. It was fantastic to see how all the students worked together to make sundials, butterflies, patterns and lots more. Well-done to our Grade 5/6 students who helped the younger students move around the school and complete the tasks successfully. Lastly a **big thank you to Miss Kenner, the Maths Team and all our staff for organising a fun filled World Maths Day.**

Year 3 /4

Yr 5-6
Family
Suitcase
Exhibition
2-3pm

Our Dance Club is again up and running at Carrum Primary School and this week at assembly we are looking forward to watching them perform. Assembly will start a little earlier at 2:40pm and we would love to have lots of families in attendance to enjoy the show.

This Friday we are holding a Working Bee this afternoon to clear out the area behind the shed and to clean up the Wetlands before the end of term. We would love some support from families with cutting back the grasses in the wetlands. If you have tools to assist with this work, please let Jane or myself know.

Main jobs will be-

- Clearing the bin enclosure
- Clearing walkways and pond space in the Wetlands
- Some small repairs of garden beds
- General tidy up around the school

If you are free on between 3:30 and 5:30pm, please come along and give us a hand.

End of Term
Friday April
4th
2.30
dismissal

Term 2
begins
Tuesday
April 22nd

Celebrating 124 Years 1901-2024

From the start of Term 2 we will be taking enrolments for 2026. We are currently running tours on Wednesdays and Thursdays. If you would like to book a tour, please contact the office. **We will also be holding an Information Session on Monday 28th April at 6pm.** This information session will be going through the enrolment process. Information about school readiness will be shared with families of our enrolled students during Term 4. If you have any question relating to enrolment for 2026, please contact the office.

This week I sent out a detailed Compass post explaining the process followed to review the effectiveness of our change of Timetable in Term 1. After completing this review, we have decided to continue to implement this timetable for the remainder of the year. I have included the timetable below in case you have missed the post earlier in the week.

School
Photos
Wednesday
April 23rd

Anzac Day
Friday 25th

2025 Timetable

8.45am – Supervision in the yard- Two staff on Yard duty until teachers meet students at their lines at 9am

9.00am – Session 1 & 2 (Including scheduled brain breaks)

11.00am – Recess

11.30am – Session 3 & 4 (Including scheduled brain breaks)

1.30pm –Lunch time (including 10 minutes of eating time at the start of Lunch)

2.10pm – Session 5

3.10pm – School finishes and students dismissed. Two staff will be on duty until 3.30pm.*Students not collected by

3:30pm will be sent to the office and families will be contacted to make sure everything is okay and students get home safely.

Finally, as we come to the end of term, **we would like to ask parents and guardians to check Compass to make sure that they have updated any unexplained absences for their children.** It is important that these records are up to date and reflect the reason as to why your child was absent from school. Further, we have had a number of students coming in late to school without a parent or guardian to sign them in. We want to make sure all students get to school safely each day and ask that **parents/carers ensure they come to the office to sign their child in if they bring them late to school.** Thank you for your assistance with this.

I hope everyone has a great weekend.

Best regards,
Clem Langford

Celebrating 124 Years 1901-2025

THIS WEEK IN KITCHEN

This week on the menu it was an Italian Flair (the year 5 /6 students have been learning about Immigration. *How great is the connection between class and kitchen!*)

THIS WEEK IN KITCHEN

**Life skills, table manners and conversation!**

This group of students mastered bruschetta, fresh bread, risoni salad and potato and rosemary pizza.

Week 9

THIS WEEK IN GARDEN

*From garden
to plate.
Picking
herbs,
planting and
caring for our
vegetable
patches.*

Celebrating 124 Years 1901-2025

WORLD MATHS DAY

On Wednesday had a Maths themed dress up day to celebrate Maths and weren't our costumes spectacular?
So much effort involved!

The students were involved in Multi-aged activities and worked with other teachers to engage in fun tasks. Thanks to Miss Kenner and all our teachers for planning such interactive activities.

WORLD MATHS DAY CONTINUED....

"We made a picture using black dots after reading Ten Black Dots and with with Miss Murray, then we did a Number blocks" Jameson and Ted

"I worked with Miss Derix and made a track for bluebots, it was so much fun" Count Dracula (Maverick)

Piano Dynamics – Patterson Lakes

Don't miss this opportunity! Start your children's musical education today.

What better way than to improve self-esteem and showcase your child's development than through music. For younger children, playing the piano helps develop listening skills as well as coordination.

Piano also improves cognitive and intellectual abilities such as memory, reading and maths skills.

I am offering an introductory half price lesson to all new students who wish to develop their musical skills.

Certified exams also offered. I am a fully qualified teacher who has extensive experience in teaching all ages and levels.

Ring me now to organise your introductory half price lesson.

Tutoring Dynamics – Patterson Lakes

Where Learning Never ends

Carolyn Susan Rossis: Call 0409 131 961

Students of all ages are tutored in private one-to-one lessons. Children are taught in a positive and nurturing environment. The tuition sessions are designed according to the student's individual needs, which are regularly evaluated and form part of ongoing assessment. I tailor to the needs of each student, which is delivered in a positive learning environment designed to foster self-esteem and motivate students to achieve their full potential.

Students with special needs are also catered for.

The core work covers the following:

READING: To develop Comprehension, Accuracy, Fluency and Expanded Vocabulary

WRITING: Examines the different genres and includes writing organisations for each genre, essay writing, spelling, punctuation, grammar and editing skills

MATHEMATICS: Covers Numeracy & Algebra, Measurement & Geometry and Statistics & Probability

EXAM PREPARATIONS: These helps identify the student's progress and help develop skills for NAPLAN, ICAS, scholarship and entrance exams

Diploma of Education and Graduate Diploma of Music Email:

carolynsrossis@gmail.com Current children's check and fully COVID vaccinated

Become a Berry Street foster carer

Partner with us and support a local child on their journey.

Childhood is a journey, but not every child starts in the same place.

In our local community there are many children and young people who need a safe place to live.

As a Berry Street foster carer, you'll be a part of a team that is committed to supporting children who are unable to live with their family.

And by providing them with a safe and nurturing home – you'll be there for them at a crucial moment in their life.

**BERRY
STREET**

Stop wondering if you could.
Start knowing you can.

Become a Berry Street
foster carer in 2025.
